

The gas-powered GTX 2000 eliminates your dependence on fluctuating electrical power and does it at a time saving, high production rate.

### Removable Gas-Powered Air Compressor Pack\*

- Produces 12 cfm @ 100 psi
- Removable pack can be placed outside while completing interior projects
- Maximum 24 cfm displacement for long life

### Husky™ 1040 Double Diaphragm Pump

- High-output, 1-in (25 cm) pump produces texture delivery rates to 4.0 gpm
- Durable Geolast™ Ball Check Valves

### Separate Pump and Gun Air Controls

- One regulator controls pump pressure and output, another controls atomization air
- Enables you to produce precise, consistent and repeatable texture finishes

### Heavy-Duty GTX 2000 Air Spray Trigger Gun

- Durable cast aluminum design
- Oversized fluid passages for pumping heavy mud mixes
- Extra-course gun head threads for quick nozzle changes

### Largest-Capacity Hopper

- 17-gallon capacity
- Steep sides to keep the thickest muds flowing to the pump
- No-tools removal for easy cleanup

### Bonded Material/Air Hose

- Both hoses are permanently bonded together for easy handling
- No-tools hose connection with oversized grip

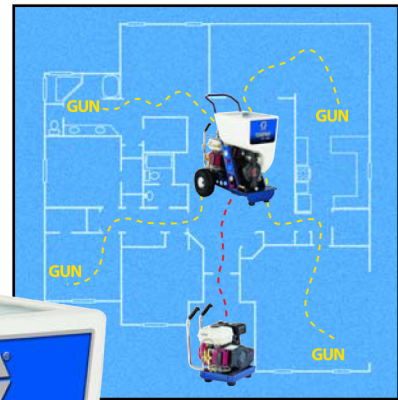

\* Patented Design

† Hose length is dependent on material viscosity

# TexSpray GTX 2000

Trigger Gun Model Shown

Put the compressor where you'd like it, place the sprayer where you need it.

DESCRIPTION	PART NUMBER	MAX GPM (LPM)	MAX PSI (BAR)	MAX HOSE <sup>†</sup>
GTX 2000 Trigger Gun	248082	4.0 (15.1)	120 (8.3)	100 ft (30 m)
GTX 2000 Flex Head Gun	248083	4.0 (15.1)	120 (8.3)	100 ft (30 m)
GTX 2000 Pole Gun	248084	4.0 (15.1)	120 (8.3)	100 ft (30 m)

Comes complete with: 1 in x 25 ft (25.4 mm x 7.5 m) Hose, Air Spray Trigger Gun, 6 Nozzles

Removable Gas-powered Air Compressor Pack.

Separate pump and gun air controls.

Optional siphon kit draws from your mix container.
